

WHERE HOPE FLIES HIGH.

Where families flourish.

WHERE KIDS
CAN BE KIDS.

"...a prime example of the kind of Pre-K center that education and city officials say they want for all 4-year-olds."

- The Kansas City Star, March 9, 2019

A Legacy of Learning

For more than 50 years, United Inner City Services (UICS) has been a catalyst in the community sparking change: actively altering the early childhood education conversation, leading by example.

Our flagship UICS/St. Mark Center is a respected leader in quality early education - a builder of bridges that lead to a lifetime of opportunities.

Today, UICS/Metro Center builds on this extraordinary legacy, helping each child reach his/her inherent potential in the classroom and at home.

Your child. **Our inspiration.**

Creative Curriculum

Children achieve Kindergarten-readiness through the distinctive Creative Curriculum for Preschool®, a comprehensive research-based curriculum that features exploration and discovery as a way of learning. The Creative Curriculum for Preschool helps teachers build children's confidence, creativity, and critical thinking skills, and promotes positive outcomes.

Conscious Discipline

Conscious Discipline is a proven, comprehensive program that empowers teachers and parents with skills to create a safe, connected, problem-solving environment.

UICS/Metro Center uses this proven approach to strengthen social and emotional learning. Through classroom jobs, wishing each other well, and "I love you" rituals, students grow and develop as caring and positive learners.

At UICS, we believe all children deserve
a great education right from the start,
and will make the world better because of it.

BUILDING BRIDGES.

UICS/Metro Center is a place where children thrive and families flourish. Children are nurtured and encouraged to be an active participant in the classroom and in our school family.

INSPIRING MINDS

An innovative, arts-infused curriculum connects students and families to uniquely diverse experiences. The UICS/Metro Center approach promotes healthy brain development, inspires creativity, develops problem-solving abilities, and encourages collaboration.

IMPACTING FUTURES

A circular inset photograph of a young girl with dark hair, wearing a red and yellow striped shirt, looking directly at the camera with a slight smile.

90+% of our Pre-K students achieve Missouri kindergarten-readiness benchmarks, a rate that far exceeds the readiness rate (about 30%) for children in our city.
